

**Anno scolastico:**  
2020-2021

Si è trattato di due corsi, volti al mantenimento e consolidamento delle 4 abilità linguistiche, rispettivamente al livello B1/ B1+ e B2/B2 + del CEFR. Strutturati in lezioni di un'ora e mezza (più una lezione da due ore) per un totale di 20 ore ciascuno, per la prima volta quest'anno si sono tenuti interamente in modalità DAD. I corsisti e le docenti dei corsi, Barbara Liva e Antonella Pedretti, si dicono soddisfatti dell'esperienza. Ecco alcune opinioni:

"Trovare la collega che ti fa conversare in lingua inglese è una grande opportunità che offre il dipartimento di lingue, a testimonianza di una disponibilità e competenza giocata per gli altri. Grazie perciò alle docenti che ci hanno pazientemente seguito in questi mesi... e arrivederci al prossimo anno!

"The B1 course was very useful to improve and fix my English. The online mode was good, maybe there were only some difficulties when we had to perform group activities. The timing of the lessons, one hour and a half, was also good because in this way you can go deeper into the topic. The interaction with both the teacher and the other students was also good."

"It was so nice to attend your course for your patience and empathy with your students. I loved all the activities that you proposed to us. The numbers of participants was perfect, allowing a very good interaction with everybody." "I don't think that there are any substantial differences between the two teaching modes: maybe face-to-face is better for interaction. The formula 1hr 30 was perfect. I liked all the activities. I think that the skills were well balanced and the activities captivating. I hope you will continue to teach in the same course next year and maybe create a real 'English tea' course!"

"I greatly appreciated the on-line course. It was very convenient to work from home and be continuously involved in working together. The formula 1hr30 was correct. A face-to-face lesson could be longer, but on-line it would be tiring. I very much appreciated the many written assignments and their corrections, which was what I needed the most. Please continue with a B2+C1 course in October, I'll be happy to follow you again. We all need to keep English alive."
